

ip-Xchange Meet-me Conferencing

What is ip-Xchange Meet-me Conferencing?

ip-Xchange Meet-me Conferencing is an easy to use, 'always on' voice teleconferencing facility. A fully featured service for an unlimited number of participants and conference calls cost nothing apart from a 0871* number phone call.

Features:

- Unlimited number of participants
- No need to pre-book a slot
- Easy management via web based portal
- E-mail invitations
- Passcode and Pin security
- Create individual conferences or an always available conference
- Automated dial-in for fast access
- Per conference invitation log

How does it work?

The Portal is a secure web based interface providing you access to the Meet Me Conferencing facility. This management facility allows you to create, edit and view the status of all booked conferences.

How much does Meet-me Conferencing cost?

ip-Xchange Meet-me Conferencing is available to all ip-Xchange users. The facility costs nothing apart from an 0871* number phone call.

* Calls from a UK landline will cost no more than 10ppm, Mobile and other providers' chargers may vary
